HAMMOND'S FINE SCORE

Breaks Fifty Out of Fifty Chances; Also Breaks the Record.

A large company of shooters was at the regular meet of the East End Gun Club yesterday afternoon, despite the hot weather.

In the regular shoot at the first twentyive targets Anderson won the weekly

In the regular shoot at the first twentyfive targets Anderson won the weekly
medal, while high gun medal went to
Mr. MacLelland.
But it remained for the visitors to put
up the best scores, and they did that act
gracefully. Mr. W. A. Hammond registered the best score ever made on these
grounds, breaking his fifty straight and
making the remarkable run of fifty-seven
straight. This great feat had never been
accomplished before at this club, and
when the last bird was pulverized to dust
there was deafening applause and a rush
to shake Mr. Hammond's hand.
Mr. Newcomb, an amateur from the
"City of Brotherly Love," demonstrated
that he knew how to point the gun when
londed with "Ideal" shells, and accounted
for forty-eight of his fifty.

in the United States closed yesterday

The first game at Broad Street Park yesterday afternoon between the 1mperials and Richmonds was easily won by the former by the score of 7 to 1. The game abounded in good plays in the but both teams were somewhat weak at the bat. The Imperials's hits were mude when they were needed, and, coupled with the errors of the Richmond team, enabled them to send seven runners across the plate. The only run made by the Richmonds was indirectly due to a wild throw by H. Bache. He afterwards redeemed himself by getting a slashing two-bagger and three-bagger Boone and Rose played up to their usual form in the field, and Gibson caught Fitzpatrick in clever style. Fitzpatrick's pitching was remarkable, in view of the fact that the day before he let a strong team down with one hit, and struck out fourteen men. By winning this game the Imperials goes on a tie to second
